Concluding Remarks

Company Introduction

Our company is headquartered in Dongguan, known as the "world manufacturing city" and "China's Silicon Valley", The company has established large-scale production bases in Hengli Town, Dongguan City, Guangdong Province; Heyuan City, Guangdong Province; and Anfu County, Ji'an City, Jiangxi Province, and is also recognized as a high-tech enterprise

Since its establishment, our company has been providing customers with one-stop services including research and development, mold making, sampling, trial production, mass production, and logistics support. Our product range includes audio, video, data and signal transmission cables, internal wires, AC/DC power cables, FFC flexible flat cables, Silicone Products and other wire categories. These products are widely used in industrial control, digital, communication, medical, automotive, and aerospace fields. With comprehensive talent and technological resources, we provide customers with high-quality products and services.

We conduct business in an ethical, professional, and responsible manner, creating value for customers, suppliers, shareholders, employees, and the community.

Research & Development(R&D) Center:

No.483 Xincheng Road, Hengli Town, Dongguan City,
Guangdong Province

Marketing Center:

Room 1616, Building 1, No.15 Gongye West Road, Songshan
Lake , Dongguan City

Production base:

- 1.Hengli Town, Dongguan City, Guangdong Province
- 2.Anfu County, Jian City, Jiangxi Province
- 3.Lianping Ecological Industrial Park, Heyuan City, Guangdong Province

Development of the company

(future plan:)

**2026-2027: Establishment of a Factory in Vietnam
(Address: Hoang Ninh Commune, Viet Yen District,
Bac Giang Province, Vietnam)**

**2009: Dongguan Hengli Factory completed and put into operation
Production of AC and DC power cables**

2010: Obtained ISO9001 certification

2011: Obtained ISO14001 certification

2014: Establish an enterprise resource planning system

2014: Establishment of wiring harness Manufacturing Division

2017: Obtained Sedex certification

2018: Established Jingyi wire marketing center

2021: Establishment of silicone products production base (Ji 'an, Jiangxi)

2023: Establish a factory in Indonesia (Songguang, Kompu Joint Industrial Park)

2025: Obtained IATF16949 certification

Establish a silicone products production base in Heyuan (Lianping County, Heyuan City).

Jin Yi Center

Due to the needs of business development, our company has established the marketing center headquarters in Songshan Lake High-tech Zone, providing customers with efficient communication and more high-quality, innovative and convenient services to meet customer needs and create a better cooperative experience.
